Making Spirits Bright

JT'S CHRISTMAS TIME

This Christmas may be different from any that went before, but we can be sure of two things: Christmas is still a time to celebrate; and we will (more than ever) want to share it with our family and close friends. Let us make your Christmas celebrations memorable for all the right reasons - a warm welcome, delicious food and wine, and great company. For family groups and support bubbles, talk to us about booking a small table. All our team is fully-trained to be Covid-safe. Join us to let your hair down this Christmas, not your guard. Why not treat your loved one to a James Figg gift voucher this Christmas? Pop into the pub to get yours.

CELEBRATE WITH US

This Christmas, eat, drink and indulge with us. Food in a proper pub should be simple and tasty, that doesn't mean it has to be cheap and nasty. This year there'll be no set prices, just a December menu full of the good stuff, supporting British producers who have the same ethics as us, who need our support. Our turkeys are bronze, free-range birds from Worcester, our beef is British and our fish is always responsibly sourced. With a list of award-winning wines – and bubbles – to choose from, all you need to do is gather your group. And as always, your safety is our top priority. You can also order on mobile, to make it even easier to pay and order for drinks, without having to leave your table.
